

Rochelle (Rocky)

I just wanted to let you and your entire staff at American Gift Aid, that y'all are the best and sweetest people.

I will never forget your kindness and prayer that we had over the phone, for my best friend's death, and had never even met you in person yet.

There has been quite a few times that I have just drove up there, without an appointment and was seen and my problem taken care of.

There should be more people like you and your staff in this world. You get the job done and do it well. I have told many people that I have met at the V.A. about your camp and kindness.

And hopefully all have went to you for their needs. Rocky, you are the best.

Thanks for everything
love,

Dickie & Michael Hollingsworth
